Services for your loved ones in Illinois will not survive much longer without a state budget.

Hear from local Legislators and Community Leaders about what we need to do.

Make your voice heard! If you do not participate in events like these to tell your story then don't be surprised when your services are cut or eliminated!

RSVP to Good Shepherd Center Shepherd at 708-957-2600x 223 by August 24th.

to let us know you will be joining us and if you would like to speak so we can best prepare for the day & make a schedule of Speakers.

Programs such as: Childcare Payments, all social services including Developmental Disabilities, Mental Health, Homelessness, Employment, among all others, , , Local colleges and municipalities will also be adversely affected by the proposed devastating cuts and the Illinois budget impasse so this rally is an opportunity for all of us to join together to make our voices heard! We need to have all of your voices heard to make a positive difference in Illinois!!!
